Changing or Re-keying locks

Are your locks old, rusty, or worn out? Have you lost your keys? Has your door become an easy target for someone to access?

If you answered yes to the above questions, you should consider the services of a professional locksmith.

Feeling a sense of security in your own home or business starts with installing quality locks and maintaining their function.

You might require a complete lock change or the existing locks might be serviceable and then easily re-keyed.

If you are interested in having your locks inspected, serviced, changed, or re-keyed, and would like to receive efficient and affordable service call us for an estimate today.

We'll service your locks and leave you with "peace of mind."

Supreme is your "Security Solution!"

LOCK RE-PINNING KIT

When we are re-keying your lock, we service the complete lock cylinder to ensure smooth operation of the lock.

- ✓ All pins are replaced with new pins.
- ✓ All springs are checked to make sure that none are compressed.
- ✓ If any compressed springs are found, they are replaced with new ones.
